EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the Claims:

In line 2 of claim 21, a period --- has been inserted after "agent".

In line 1 of claim 31, "(previously amended)" has been changed to --- (currently amended) ---.

2. The following is an examiner's statement of reasons for allowance: The examiner agrees with applicant's arguments that the prior art of record fails to disclose a motivation for directly attaching the composition of the independent claims to the air filter member in an HVAC system as recited in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Frank M. Lawrence whose telephone number is 571-272-1161. The examiner can normally be reached on Mon-Thurs 7:30-6:00.
